

How to download the conference app

Step 1

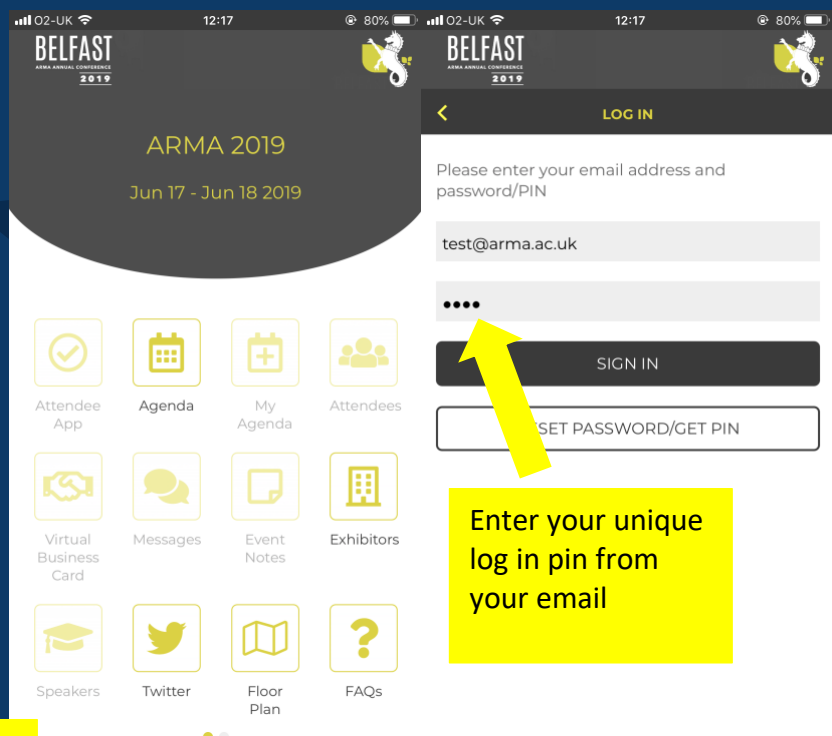

Download the 'The Event App by EventsAir' app

Step 2
Open the app and submit the code 'ARMA'

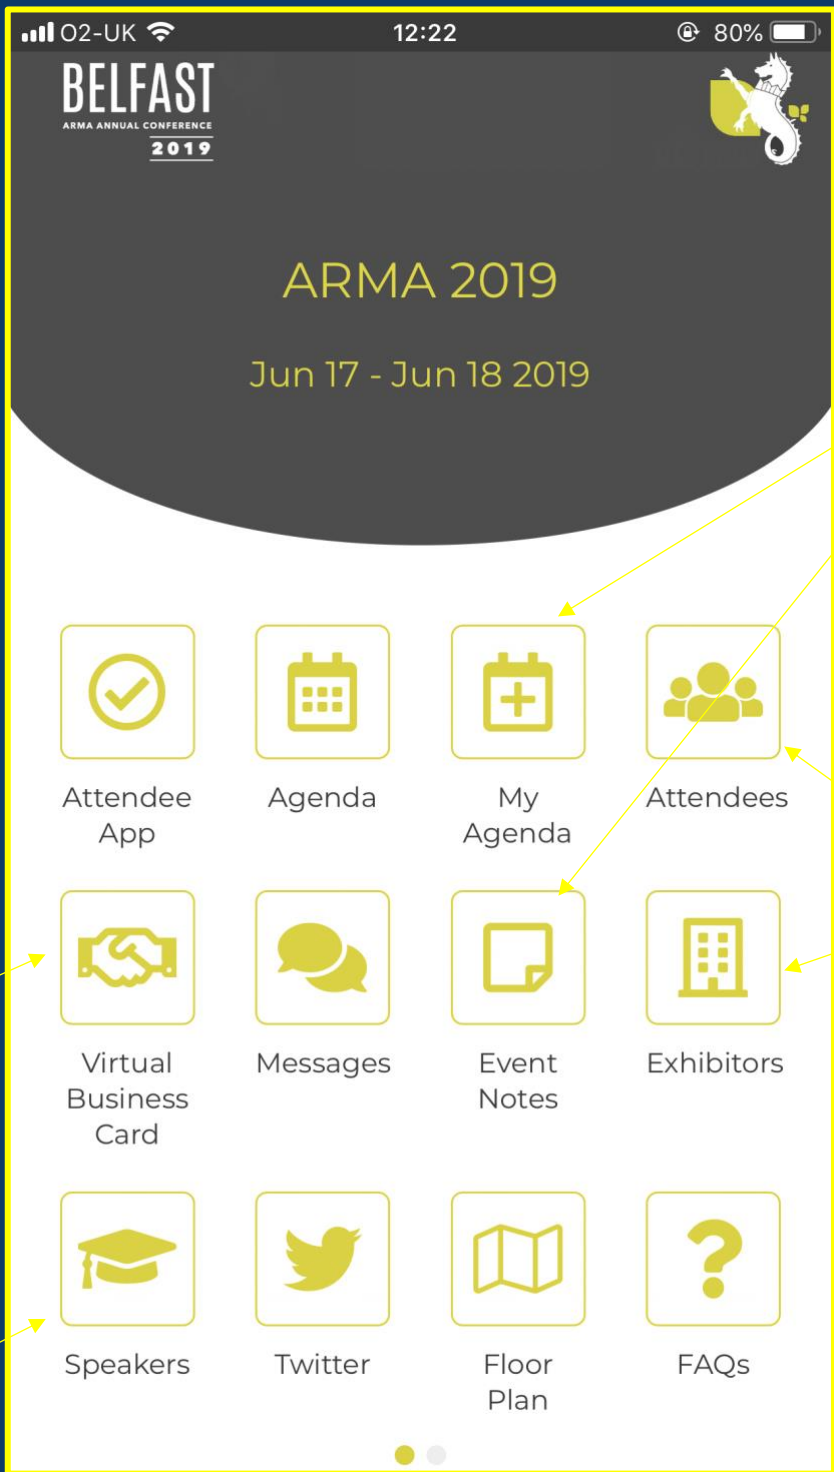

Step 3

Log in to the app to access full functionality

Enter your unique log in pin from your email

Swipe to access the second page to find the log in

Enjoy the functionality built in to enhance your delegate experiences!

Build your own agenda and take notes on sessions that you attend

Share your very own business card with other delegates and scan their info

Search for exhibitors, sponsors and other attendees

View our speakers' biographies and find out what sessions they're speaking at

And more functions such as finding places to eat, social functions and local maps
